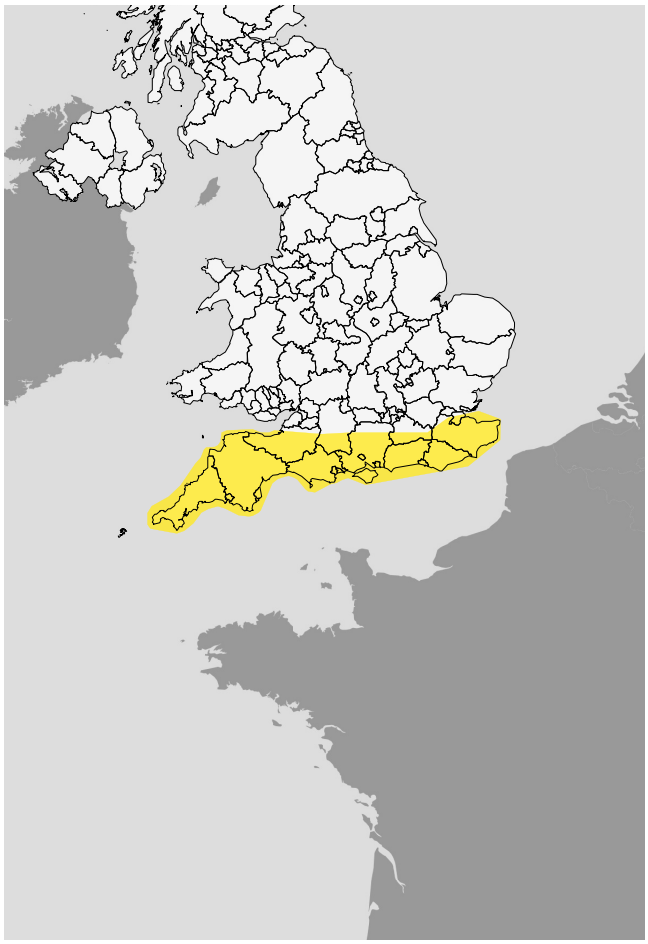
Yellow warning
Rain

Between
00:00 Sat 21 Dec 2019 and
09:00 Sun 22 Dec 2019



An area of heavy rain moving east across southern areas likely leading to some travel disruption.

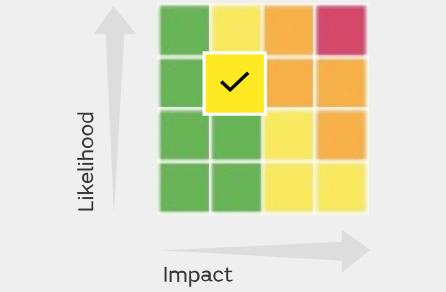
What to expect

- Flooding of a few homes and businesses is likely
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer

Further details

An area of heavy rain reaching southwest England on Saturday afternoon will extend east across remaining southern areas through the evening. Drier weather will follow from the west on Saturday night with the rain clearing the southeast on Sunday morning.

Whilst amounts of rain are not expected to be particularly large, 5-15 mm and perhaps 20-30 mm in a few places, some flooding is possible with the rain falling onto saturated ground.



Medium likelihood of low impacts
